The Twenty Eighth Anniversary Joint  
**Haby-Lockhart-Ross-Speck**  
Angora Goat Production Sale

**Conducted By Auctioneer**  
**Preston Faris**  
TX Lic. No. 16026

HLRS wants to thank our family members who help with the sale and its preparation and other friends who have been so helpful over the years.

This Year's Catalog on our 28th Anniversary  
is Dedicated to:

## **Frank Craddock & Preston Faris and our TAMU Extension Service**

Those of us who have grown up in the 4-H Club & FFA world well know the impact of our county agents, FFA teachers, and parents' involvement. Schools, extension, USDA, community, and church spirit are all intertwined together to help "Make the Best Better" - - daily chores to take consistent care of our animals; learning about wildlife, hunting safety, livestock and the land with its production of many different plants; public speaking, mechanical skills and judging evaluations that involve making comparisons, decisions and explanations "on-your-own" ; serious competition with some top of the class ribbons and then some at the bottom help to build character, humility, confidence and leadership while still making new and life-long friendships. It is all about a balance in our lives; a responsibility to help take care of our land, animals, family, and communities; to show respect for other people's viewpoints and needs; and to take action to help yourself and others to move forward.

Our two friends, leaders and honorees today with their families exemplify what makes the above paragraph and rural agriculture of America so great. We can't talk about one without including the other (now still busy retirees). Preston and Frank will be the first to give recognition to their county agent, Werner Lindig, their parents and other volunteer leaders in Medina and Bandera, Texas. They developed a passion to succeed and to help others as they became state champions in both livestock judging and wool/mohair. Together at TAMU they continued that small town excellence as they helped win the National Collegiate livestock judging championship. Frank went on to get his PhD but when he returned to Texas, the TWO were once again together in our goat and sheep industry. What an impact they have made with so many of our children, grandchildren, ranchers and breeders of sheep and goats . Included in their multi-tasks was helping with the performance tests, and cooperating with researchers at TAMU, Angelo State University , TTU, and the USDA ! Plus not to forget all of their extra time on ranches; at livestock and fiber shows including advance preparation; and putting on workshops and judging in numerous states and nations. But that is not all about the two families. The Faris' son, Brian, married Frank and Fayrene's daughter Reyna. Both sets of grandparents have enjoyed many trips to Kansas where Brian led the state's sheep & goat program.

This home town story of 'making a difference' will sure be hard to beat. Four generations of each family are going strong today. At least one other impact story that comes to mind goes back to the late 40's and early 1950's from Menard's 4-H Club program -- Dr. Carl Menies, Dr. Jake Landers and Dr. Fritz Landers. Boy, it sure was hard to compete against that judging team in livestock, wool, mohair and grass and they continue to be an inspiration and leaders in their communities and our industry.

Frank Craddock cannot be here today because he is still helping with the Goat workshop at College Station. A few years ago Frank received the prestigious Fred Earwood Memorial Award from the Texas Sheep & Goat Raisers Assoc. It is good that Frank and Jack Groff stressed size, length of body and depth like "a pound of butter" and some lanolin. For years Frank would travel to various states of Canada to lead workshops for mohair and Angora goats as well as certification for their regional judges.

The Craddock's have three children - Reyna, Chad, and Billy Frank III. It was a great pleasure to see Frank's mother, Carleen, with the family last year at Frank's unusually large retirement party in San Angelo. San Angelo and Wall will miss the Craddocks but Medina is happy for their return. Consulting, volunteering, and running some sheep and goats with family time will be their program.

Preston's first county agent assignment was in Vernon, TX where he met Kay. Then moved to Stanton where he was the county agent prior to coming to Sonora in 1979. Kay and Preston have three children - Shawna, Brandon and Brian. Sonora is very fortunate that they 'retired' in Sonora but Preston and his sister still get back to Medina to be with their father, Vernon. Kay and Preston have been very active in our Sonora community. Kay has been a great office manager. He certainly will not say it but unofficially, Preston has probably judged more sheep, goats & cattle around the world than any other judge. As we all know, he does a super job in giving his reasons for the placings. Preston has served on our local hospital board for over 16 years. They are active in their church. His consulting services have helped many. Also impressive is the way he does not overgraze the leased pastures on which he operates his sheep and goat herds, especially in 2011 when some other properties were real short.

We truly thank Fayrene and Kay and their families for sharing Frank and Preston with our greater goat and sheep industry and that extra effort given over the years that is still being provided!

## REFERENCE SIREs

### A.B. Hobson & Sons Martysford Stud

**76 (1991)** - This buck was sired by K131, the twin to the Martysford buck that sold for 110,000 Rand, a world record price. He combined the size, muscle, thickness, and correctness of a superior meat goat with a typical soft South African mohair fleece.

**422 (1991)** - This buck was Mike Hobson's selection for the partnership. His sire was an outstanding producer for the Hobsons. Phenotypically this buck was well balanced but not flashy. However, he was a "blue blood" stud, he consistently produced quality kids, both straight South African and "cross".

**04 (1993)** - In 1994 Mike Hobson, Fred Speck, and Hayden Haby returned to South Africa and selected this buck for the second importation. His conformation was near perfect. His offspring have fine fleeces.

**80 (1993)** - This buck was also selected by Hobson, Speck, and Haby for the second importation. His sire was a Thorn Park buck purchased at the dispersal sale by A.B. Hobson and Brett Wienand. Haby really liked this big, tall, long bodied buck.

### HABY, LOCKHART, ROSS, SPECK

**HLRS 60 (1995)** - Out of 80 and a "Lockdale" doe imported from South Africa, this buck combined a long stapled fleece with a very correct body conformation. The yearling does on Laura Speck's 1999 show circuit were both out of this buck. His two sons at the Sonora Test had the longest staple length in 1999.

**Continued on Next Page**

**HLRS-2- 606 (2002)** - This buck had an excellent body conformation with a thick spring of ribs, level rump, and he walked wide. He also carried a uniform ,ringlet, yearling fleece. He was out of HLRS 153 (an 04 son) and a Thorn Park stud doe #81.

### **CURRENT LIVING SIREs**

**HLRS-7-821** - This buck is sired by HLRS -3-644( grandson of HLRS 60). He has excellent body conformation and a uniform fleece.

**HLRS-9-002-** This is an embryo buck from goats we purchased at the Mike Hobson dispersal sale in South Africa. He is a big , robust buck with a soft, uniform fleece. He did well on the show string for Tyler. He has produced our best show does.

**HLRS-9-870-**This fine, showy buck is a HLRS 606 grandson.

**HLRS-0-058-**This embryo buck is from the latest import. His sire is from the AB “Blake”Hobson Martysford Stud and the dam is from the Mike Hobson Careysbrook Stud. He is a big, robust, open faced buck with a fine , ringlet fleece.He has bred great kids. A FLS 50% Texas/SA kid won Grand Champion Buck (as a Kid!) at the 2015 San Antonio Jr. Livestock Show. He is one of the best South Africans we have owned.

### **Ross Ranch Comments**

Our kidding starts about the third week of March thru early May. Most of us in the registered goat business make notes about our individual animals. Listed below are some of the codes that we use in our records. For those who want this info, some are reflected on our individual lots in this catalog. We “bag” out all of our does each year (even the commercial ones) since the udder teat structure plays a very important role in % kid crop raised in the pasture. Likewise, we place a strong emphasis on scrotal size, evenness & skin/mohair cover for fertility. Staple length is measured on the side, rump & britch.

**1 = excellent      2 = good      3 = average      4 = poor**

SSK = Super, Super Kid  
 SK = Super Kid  
 FK = Fine Kid  
 KID = low kid  
 AK = average kid from adult  
 FYG = finer young goat  
 YG = regular yearling  
 FA = fine adult  
 CHAR = character of mohair  
 Length = measure side, back, britch  
 K = kemp  
 Y = yield - prefer some lanolin  
 Un = uniformity  
 B = overall body  
 SIZE = big, good, med, small  
 HN = horns – diameter & spacing  
 teeth = teeth  
 FT = foretop – 1 = real open face w/distinct mohair look ; prefer #2; #3 some channel  
 Ribs = spring of ribs

HT	=	heart, chest width
CMT	=	crooked mohair tail
RAT	=	slick, rat tail
SMT	=	straight, mohair tail
Sct	=	scrotum size & inches split
Toes	=	toes
Ud	=	udder/small teat
HK	=	width & freedom of cow hock
WW	=	walks wide

### Speck Ranch Sires:

**H-584 “Superfine”** - This legendary Haby stud, along with H-787 “Son of Champ”, provided the foundation of our herd. Both bloodlines produced champions for Speck Angoras at all major shows in 1990 through 1999.

**FLS2-404** (1992) - This buck bred true and produced super kids. He had excellent conformation with a wide spring of ribs, wide hindquarters, straight back legs, and strong typical horns. He carried a fine, ringlet yearling grade fleece and was uniform from neck to britch. His sire is 4P-210, grand sire is FLS8-43, and great-grand sire is H-787.

**FLS1-249** (1991) - This was one of the finest fleeced, most uniform bucks we had. His sire is FLS9-68 and his dam, FLS9-76, is a daughter of “Superfine”. In 1994 he was the first place Aged Buck at the Kerrville, San Antonio, and Houston Jr. Stock Shows.

**FLS6-1382** (1996) - When Hayden Haby & Jesse Lockhart saw this buck as a yearling, they called him the “perfect buck”. He had correct horns, thick body, and a fine ringlet long stapled fleece with kid hair. He was a son of 404 and produced many excellent kids.

**FLS8-1810** (1998) - A son of 1382, this buck always carried a fine ringlet kid fleece and produced many excellent kids. He was one of our top producers. His mother was out of 249 and was on the show circuit. She won the Grand Champion Goat of Show in Kerrville in 1997.

**FLS9-2224** (1999) - A son of FLS6-1382, this was a showy, big, extremely fine fleeced uniform ringlet haired buck.

**FLS0-2350** (2000) - This was a fine-haired, showy buck, 100% Texan, and was a full brother to FLS8-1810. He produced good kids.

**FLS0-2407** (2000) - Hayden Haby, Jesse Lockhart, and Joe David Ross purchased this buck at the 2001 HLRS sale. Hayden loaned him to me for two breeding seasons. His offspring have very fine uniform fleeces and an open face. He was a son of FLS 1337 (out of 607...404) The buck maintained a ringlet, superkid fleece.

**FLS2-3136** (2002) - This showy buck combines a beautiful fleece with an excellent body conformation. He was a son of FLS0-2593 (son of 1810). He was 100% Texan.

**FLS2-3206** (2002) - This son of FLS8-1810 was 100% Texan and had a very fine fleece.

**FLS2-3214** (2002) - This showy buck had a wide spring of rib and a beautiful ringlet fleece He was 75% Texan out of FLS0-2593.

**FLS3 3505** (2003) - This son of FLS1-2898 (out of 2224) produced great kids. He was big, robust, open faced, and had a ringlet kid fleece. We kept several bucks he sired over four years.

**FLS4-3866** (2004) - This son of FLS0-2350 had a dense, very long stapled, uniform kid fleece.

**Continued on Next Page**

**FLS5-4007** - This buck produces beautiful fleeces. He is out of 2671, a 404 son that had a great body. This buck is 75% Texan.

**FLS5-4184** - A son of FLS3-3505, this is a thick bodied, showy buck.

**FLS5-4327** (2005) - I loved the fine, ringlet, dense fleece on this showy buck. He was out of FLS9-2224.

**FLS6-4503** (2006) - This was one of our favorite bucks. He was out of FLS3-3505. He was open faced, large, thick and had a fine, uniform, ringlet fleece.

**FLS6-4552** (2006) - This was a big, robust, fine fleeced buck. He was 100% Texan. His sire was 3136 and dam was out of 2224.

**FLS6-4562** (2006) - This 50% Texas buck was out of HLRS-2-606. He was long bodied, thick, large, upstanding and had a ringlet fine fleece.

### **CURRENT LIVING SIRES**

**TS5-457 - "DEMON"** This buck was raised by Ted Smith and purchased by Jackie Nentwich. He was Grand Champion Buck at several major shows and overall Grand Champion Goat of Show at the Kerrville District Show. He is a long bodied, up headed, large buck with a uniform ringlet fleece. He is out of FLS4-3511 (404 bloodline) and a Smith doe he considers the best he ever raised. His full brother is Ted's stud buck, "Moe"

**FLS7-4846** - This 100% Texan buck has a gorgeous ringlet long staple fleece with 1+ grease. His sire was 2407 and his mother was stud doe 668. (1810, 2350, 2844) He has done well on Tyler's show string.

**FLS8-5139** - This fancy buck is in the photo on our sale catalog. In 2012 he won Champion Buck as an aged buck at the Kerrville District Show (largest Angora goat show in U.S.). He still carries a ringlet, uniform superkid fleece. He is out of FLS4-3866 and has a thick structurally correct body. He is 81% Texan.

**FLS9-5395** - This buck is out of FLS3-3505. He is 81% Texan, has a ringlet fleece and thick body.

**FLS9-5406** - This son of FLS3-3505 has an excellent body conformation and a fine ringlet, kid fleece. He is 75% Texan

**FLS9-5613** - Another great bodied, fine fleeced buck out of FLS3-3505.

**FLS9-5632** - This 100 % Texan buck is out of FLS2-3136. He carries a ringlet fleece with extra staple length and 1+ grease.

**FLS9-5678** - This 87.5% Texan buck is an 1810 great grandson. Haby really liked this buck's father, a robust, wild-eyed, crazy, fence jumping buck.

**FLS0-5828** - A son of FLS5-4327, he combines a great body with a fine kid fleece. He is 87.5% Texan.

**FLS0-5942** - This fancy buck has a ringlet kid fleece. His sire is FLS0-2350. He is 75% Texan.

**FLS1-6366** - An 81% Texan. His sire is FLS4-4007 ( a superfine grandson of 404). He has an open face, a uniform,very fine, ringlet fleece and a wide body.

**FLS2-6634** - This is an impressive, very fine buck with a great body.His sire is FLS7-4846. He is 94% Texan and was Grand Champion Buck at San Antonio in 2014.

**FLS2-6686** - A son of FLS9-5374, he is 86% Texan. He is a large, wide bodied buck with

a ringlet fleece.

**FLS2-6689** - This 84% Texan buck is a son of FLS9-5456. He is robust, open faced, and has a fine, ringlet fleece.

**FLS2-6780** - Out of FLS9-5374, he is 86% Texan. He has a great body conformation and a fine fleece.

**FLS2-6823** - This showy buck has a ringlet, super kid fleece and a thick, correct body. His sire is FLS8-5235(A HLRS 606 grandson). He is 75% Texan.
